### § 230.430A Prospectus in a registration statement at the time of effectiveness.

(a) The form of prospectus filed as part of a registration statement that is declared effective may omit information with respect to the public offering price, underwriting syndicate (including any material relationships between the registrant and underwriters not named therein), underwriting discounts or commissions, discounts or commissions to dealers, amount of proceeds, conversion rates, call prices and other items dependent upon the offering price, delivery dates, and terms of the securities dependent upon the offering date; and such form of prospectus need not contain such information in order for the registration statement to meet the requirements of Section 7 of the Securities Act (15 U.S.C. 77g) for the purposes of Section 5 thereof (15 U.S.C. 77e), *Provided, That*:

(1) The securities to be registered are offered for cash;

(2) The registrant furnishes the undertakings required by Item 512(i) of Regulation S-K (§ 229.512(i) of this chapter); and

(3) The information omitted in reliance upon paragraph (a) from the form of prospectus filed as part of a registration statement that is declared effective is contained in a form of prospectus filed with the Commission pur-

suant to Rule 424(b) or Rule 497(h) under the Securities Act (§§ 230.424(b) or 230.497(h) of this chapter); except that if such form of prospectus is not so filed by the later of fifteen business days after the effective date of the registration statement or fifteen business days after the effectiveness of a post-effective amendment thereto that contains a form of prospectus, or transmitted by a means reasonably calculated to result in filing with the Commission by that date, the information omitted in reliance upon paragraph (a) must be contained in an effective post-effective amendment to the registration statement.

*Instruction to Paragraph (a):* A decrease in the volume of securities offered or change in the bona fide estimate of the maximum offering price range from that indicated in the form of prospectus filed as part of a registration statement that is declared effective may be disclosed in the form of prospectus filed with the Commission pursuant to § 230.424(b) or § 230.497(h) under the Securities Act so long as the decrease in the volume or change in the price range would not materially change the disclosure contained in the registration statement at effectiveness. Notwithstanding the foregoing, any increase or decrease in volume (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b)(1) (§ 230.424(b)(1)) or Rule 497(h) (§ 230.497(h)) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(b) The information omitted in reliance upon paragraph (a) from the form of prospectus filed as part of an effective registration statement, and contained in the form of prospectus filed with the Commission pursuant to Rule 424(b) or Rule 497(h) under the Securities Act (§§ 230.424(b) or 230.497(h) of this chapter), shall be deemed to be a part of the registration statement as of the time it was declared effective.

(c) When used prior to determination of the offering price of the securities, a form of prospectus relating to the securities offered pursuant to a registration statement that is declared effective with information omitted from the form of prospectus filed as part of such
